Dear Tenant,

It has been brought to our attention that there have been some issues with garbage being left on your balcony, smoke smells coming out from under your door, and excessive noise. Please remember that this is a shared building with other tenants. All efforts should be made to clean up your garbage on an ongoing base, and at no time should garbage be stored on the balcony. Any excessive noise can disturb other tenant and will not be tolerated. As well although you can smoke in your unit, other tenants should not have to smell it in the common areas of the building.

Failure to deal with this can result in the filling of an N5 – Notice to Terminate a Tenancy Early.

> You, your guest or another occupant of the rental unit has substantially interfered with:
> the reasonable enjoyment of the residential complex by the landlord or another tenant,

This can result in filing fees associated with filing with the Landlord Tenant Board.

Should you have any questions please feel free to contact Jonathan Wilson @ (519)400-9901.
