EXPLANATION OF PURPOSE AND EFFECT FOR BY-LAW NUMBER (2018)-20254

1. By-law Number (2018)-20254 has the following purpose and effect:

The purpose of the proposed Zoning By-law Amendment is to change the zoning on the subject lands from "Residential Single Detached" (R.1B) to a "Specialized Residential Single Detached" (R.1B-49) Zone to permit a coach house in the existing detached building (formerly used as a garage). The portion of 9 Eden Street subject to this Zoning By-law amendment is required for parking for the existing one-storey single detached residential dwelling which contains an accessory apartment that the owners want to register. A future Consent application will be submitted to sever this portion of 9 Eden Street and add it as a lot addition to 7 Eden Street so that parking can be accommodated.

Holding Provisions have also been recommended to ensure that the development of the lands does not proceed until the owner has completed the following conditions to the satisfaction of the City:

1. The Owner shall submit to the City, a site plan for the coach house in accordance with Section 41 of the Planning Act. The site plan shall include: elevations, landscaping, parking, grading, drainage and servicing information for the coach house to the satisfaction of the General Manager of Planning, Urban Design and Building Services and the City Engineer.

2. The Consent application (lot line adjustment with 9 Eden Street) shall be submitted and finalized (Certificate of Official issued) to ensure that parking for the main dwelling unit and accessory apartment can be accommodated on the subject property.

The proposed Zoning By-law Amendment was considered by Guelph City Council at a Public Meeting held on March 20, 2017 and a Decision Report was presented to Council on March 19, 2018 (File #ZC1618).
